

Kennesaw Mountain High School friends and families,

Over the past four years Gas South has been a great partner of Kennesaw Mountain High School donating over \$20,000 through their unique affinity program. This program provides Kennesaw Mountain families, teachers, and community members discounted natural gas rates while helping to raise money for our school. We are proud of this relationship and need your help in maintaining it. It is our hope that this email will encourage you to help us reach an immediate goal of 100 participants.

Here are the benefits:

- Gas South will make an **individual donation to our school** each month that you remain a customer. The more families that sign up the more Gas South donates to Kennesaw Mountain High School.
- As a program participant **you receive** a friends and family discount of 2 cents per therm off any published rate. This discount will apply each month you remain a Gas South customer. Additionally, Gas South rates* are very competitive. See how they compare below:

	Gas South KMHS Rates	Georgia Natural Gas	Scana
6 Month Fixed	\$0.72	\$0.769	\$0.759
12 Month Fixed	\$0.72	\$0.769	\$0.759
18 Month Fixed	\$0.77	\$0.899	\$0.799

*August rates expire September 5th

How do you participate?

- Switching to Gas South is easy. Simply call 1-866-563-8129 or go to www.gas-south.com/kmhs. You do not have to contact your current natural gas provider and your service will not be interrupted.
- If you are already a Gas South customer, please register your account to be counted toward our goal of 100 customers in the program. Just go to www.gas-south.com/kmhs and select Kennesaw Mountain High School as your affinity partner.

This program is an easy and convenient way to help raise money for Kennesaw Mountain High School. Unlike traditional fundraisers, you don't have to sell anything, commit your time or collect money. **Just sign up and Gas South takes care of the rest.** Thank you for your continued support and please help benefit our school by taking advantage of your Kennesaw Mountain discount with Gas South.

Sincerely,
